OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 18 December 1973

25X1 1. [redacted] Received a call from Frank Slatinshek, Chief Counsel, House Armed Services Committee, who told me Chairman Lucien Nedzi, Intelligence Subcommittee, would like to schedule a meeting with the Director and the Subcommittee for Thursday, 20 December, at 10:00 a.m. on the situation in the Middle East. Slatinshek told me that Nedzi was very interested in reviewing the recent crisis and the faulty reading of the situation. He told me as an aside that the Intelligence Subcommittee met with the DIA people. He also noted that several individuals in the Middle East division of DIA have been reassigned to other duties. I told Slatinshek the Director's schedule is most difficult for the remainder of the week but that I was certain he would make whatever changes necessary if Chairman Nedzi so desired.

After checking with the Chairman, Slatinshek called back and said that they will put the hearings over until the beginning of the year but that we should be on notice that he will want to see us at his earliest opportunity. The Director and General Graham were advised. 25X1

25X1 2. [redacted] Received a call from [redacted] in the office of Senator Robert T. Stafford, concerning employment opportunities with the Agency. I told her that like the rest of the Executive Branch we have been undergoing a reduction in force during the past year but we would be pleased to provide a courtesy interview for the constituent in question if the Senator so desired but there was little opportunity for employment with us at the present time.

25X1 3. [redacted] Received a call from Mike Finley, House Foreign Affairs Committee staff, concerning a "case in which Senators Tunney and Dominick are interested" and asked if I would stop by during the day tomorrow and look at the file.

I recovered from Finley a blind memo dated 16 March 1973 relating to Bahamian Secession.
